"Mr. Forman has produced the most complete and authentic edition of Shelley which has till now been published."—*Saturday Review*.
"All the notes, appendices, and remarks upon particular words used will be welcome and very useful to Shelley students; in fact the work is in every sense an edition de luxe, a worthy memorial to Shelley's genius."—*British Quarterly*.

HURST & BLACKETT'S
NEW WORKS.

A YOUNG SQUIRE OF the SEVENTEENTH CENTURY, from the Papers of CHRISTOPHER JEAFFRESON, of Duffingham House, Cambridgeshire. Edited by JOHN CORDY JEAFFRESON. 2 vols. crown 8vo, 21s.

"Two volumes of very attractive matter:—letters which illustrate agriculture, commerce, war, love, and social manners; accounts of passing public events, and details which are not to be found in the *Gazettes*, and which come with singular freshness from private letters."—*Athenæum*.

"Two agreeable and in many respects important volumes. They deserve to be placed on library shelves with Pepys, Evelyn, and Reresby. The Jefferson letters add very much to our knowledge of other people, and of other acts than those recorded by Pepys, Evelyn, and Reresby, and are pleasantly supplementary in sketches of contemporaneous men and manners."—*Notes and Queries*.

A MAN of other DAYS: RECOLLECTIONS OF THE MARQUIS DE BEAUREGARD. Edited from the French by CHARLOTTE M. YONGE, Author of "The Heir of Redclyffe," &c. 2 vols. crown 8vo, 21s.

"Full of useful and agreeable reading."—*Athenæum*.
"The 'man of former times,' whose biography is now introduced to our notice, will be remembered by all who have read the correspondence of Count Joseph de Maistre. A Savoyard by birth, M. Costa de Beauregard lived long enough to see the last years of the Monarchy, the Revolution, and the early promise of General Bonaparte. The opening chapters of the work introduce us to Paris society at the time when it was perhaps the most brilliant; and it is amusing to accompany our hero to Madame Geoffrin's *salon*, where Marmontel, Rochefoucauld, Grunze, Diderot, Cochin, and many others, discourse literature, art, and philosophy. The variety of scenes described in these pleasant memoirs, the historical personages crowded together on the canvas, and the account of the noble but fruitless struggle of Savoy against the French Republic, give to the whole work a dramatic interest which derives additional charm from the character of the Marquis himself—a character in which high principle, genuine wit, and patriotism are happily blended together."—*Saturday Review*.

TRUE WOMEN. By Katharine STUART. 3 vols. 31s. 6d.

By JEAN LE PEUR. 3 vols. 31s. 6d.

"To write a purely domestic tale which is so far from dull is a considerable achievement. . . . Each of the characters has a strongly-marked nature of his or her own. . . . Becky Wilson is a fine portrait which must clearly be from life. But the book should be read."—*Athenæum*.

The RECTOR of OXBURY: a Novel.

By JAMES B. BAYNAIRD. 3 vols. 31s. 6d.

"This book is readable, and the author's style is good. It has considerable interest as a testimony against dissent in its social aspects; and a revelation of the interior life of certain sects, whose ministers are their servants in a servile and irritating sense, unsuspected by the world outside these communities."—*Spectator*.

"The picture we have in these volumes. . . . will come upon most readers altogether as a startling revelation of certain aspects of Voluntarism."—*Graphic*.

"This is a very good novel, written throughout in a generous catholic spirit. . . . The book is full of kindly humour, and we heartily recommend it to our readers."—*Standard*.

ENGLISH AND FOREIGN PHILOSOPHICAL LIBRARY.

Vols. I. to III.

A HISTORY of MATERIALISM. By Professor

F. A. LANGE. Authorised Translation from the German, by ERNEST C. THOMAS. In 3 vols. Vol. I. post 8vo, pp. 350, cloth, price 10s. 6d.

"The very remarkable work of Lange, 'Geschichte des Materialismus,' a good translation of the latter would be a great service to philosophy in England."—*Professor Huxley*, in "Lay Sermons," 1st Edition, 1870, p. 371, Note.

"Lange, a non-materialist, in his excellent 'History of Materialism,' to the spirit and letter of which I am equally indebted."—*Professor Tyndall*, in Address as President of the British Association, Belfast, 1874.

"It should be stated that every section of Dr. Lange's work is followed by a copious body of notes, abounding in references to authorities, and bearing ample testimony to the extensive reading of the author."—*Saturday Review*.

"We see no reason for not endorsing the translator's judgment that it is 'raised far above the level of ordinary controversial writing by its thoroughness, its comprehensiveness, and its impartiality.'"—*Contemporary Review*.

"The 'English and Foreign Philosophical Library' could not be more worthily inaugurated than by a translation of Lange's great work."—*Mind*.

"This is a work which has long and impatiently been expected by a large circle of readers. It has been well praised by two eminent scientists, and their words have created for it, as regards its appearance in our English tongue, a sort of ante-natal reputation."—*Scotsman*.

"Although it is only a few years since Lange's book was originally published, it already ranks as a classic in the philosophical literature of Germany."—*Full Mall Gazette*.

"We look forward to the publication of Herr Lange's second volume with no small interest, though, indeed, had we not this to anticipate, the book before us would be valuable as a clear, impartial exposition of materialism, its dangers, the benefits we owe it, and the changes of idea that have operated within its own round of philosophy."—*Examiner*.

Vols. II. and III. in the press.

Vol. IV.

NATURAL LAW: an Essay in Ethics. By Edith

SIMCOX. 1 vol. post 8vo, pp. 366, cloth, 10s. 6d.

"Its merits are those of a large and general insight, animated by the desire to see the best of everything; even its errors proceed from a combination of qualities in itself rare and desirable, which may be called conscientious enthusiasm."—*Full Mall Gazette*.

"Miss Simcox deserves cordial recognition for the excellent work she has done in vindication of naturalism, and especially for the high nobility of her ethical purpose."—*Athenaeum*.

"A book which for the rest is a mine of suggestions."—*Academy*.

"The writer's highest skill is seen in bringing together aspects of ideas which limit one another, and even seem to conflict, in elucidating the paradoxical side of accepted propositions, and in embodying acute perceptions in elaborate epigrammatic periods."—*Examiner*.

"This thoughtful and able work is in many respects the most important contribution yet made to the ethics of the evolution theory."—*Mind*.

The CREED of CHRISTENDOM; its Foundation

contrasted with its Superstructure. By W. R. GREG. Fifth Edition, with a New Introduction. In 2 vols. post 8vo, pp. 280 and 290, cloth, price 15s.

"Professional reproaches against a book so manly and modest, so evidently truth-loving, so high-minded and devout as this of Mr. Greg's, are but a melancholy imbecility."—*Westminster Review*.

"This work remains a monument of his industry, his high literary power, his clear intellect, and his resolute desire to arrive at the truth."—*Scotsman*.

"Mr. Greg is well known as one of the manliest thinkers and writers of the day."—*Dundee Advertiser*.

Vols. I. and II.

LESSING, his Life and Writings. By James Sime,

M.A. 2 vols. post 8vo, 350 pages each, with Portraits, handsomely bound in cloth, price 21s.

"It is to Lessing that an Englishman would turn with readiest affection. We cannot but wonder that more of this man is not known among us."—*Thomas Carlyle*.

"In all literary history," said Heine, as Mr. Sime reminds us in his Preface, 'Lessing is the writer whom I most love; and what good grounds there were for Heine's love Mr. Sime's valuable work will explain to people who perchance only know Lessing as the author of the 'Lacoon,' though indeed that in itself supplies matter enough for admiration and respect.'"

"The work before us may, therefore, be classed as a contribution to biographical literature of permanent value."—*Globe*.

"But it is not only as the intrepid controversialist, the staunch champion of freedom of the mind, that Mr. Sime's work presents Lessing to us. It would have been sadly incomplete had he not also portrayed for us the man of kindly heart and the dramatist."—*Daily Telegraph*.

"In all this we have good evidence of original thought and independent judgment based on the best of all foundations—a careful study of the master's writings."—*Graphic*.

"At length the public may be congratulated on possessing a full and perfect account of one of the most remarkable and noteworthy Germans that ever existed."—*Notes and Queries*.

"An account of Lessing's life and work on the scale which he deserves is now for the first time offered to English readers. Mr. Sime has performed his task with industry, knowledge, and sympathy; qualities which must concur to make a successful biographer."—*Full Mall Gazette*.

"Mr. Sime's volumes are eminently interesting, and leave on the reader's mind a clear and agreeable impression of Lessing and his work."—*Bookeller*.

"The service which Carlyle and Lewes have done for the Diocuri of German poetry has been done at length for the Hercules of German prose by Mr. Sime. . . . He has performed the task which he set himself in an honest, thorough, and able manner, and he deserves the gratitude of all admirers of Lessing, and of all lovers of German literature."—*Spectator*.

"The style in which these volumes is written is studiously reserved, the learning that underlies them is never obtruded; but the simple diction is lit up by a steady enthusiasm, and where the fruits of individual research are needed they are ungrudgingly supplied."—*Examiner*.

"He has given a life of Lessing clear, interesting, and full, while he has given a study of his writings which bears distinct marks of an intimate acquaintance with his subject, and of a solid and appreciative judgment."—*Scotsman*.

THE RHINE,

From its Source to the Sea.

Translated by G. C. T. BARTLEY,

From the German of KARL STIELER, H. WACHENHUSEN, and F. W. HACKLÄNDER.

With Four Hundred and Twenty-Five Illustrations

By R. PUTTNER, A. and O. ACHENBACH, A. BAUR, C. F. DEIKER, W. DIEZ, G. FRANZ, F. KELLER, L. KNAUS, L. RITTER, and other eminent German artists.

NOTICES OF THE PRESS.

The SCOTSMAN, November 6, 1877.

"It is a good feature in a book prepared for Christmas that it should not merely be showy, and not merely amusing, but that it should have a real, substantial value because of the information it contains. Such a book is that published by Messrs. Bickers & Son, entitled 'The Rhine, from its Source to the Sea.' . . . Some time ago three German literary men—Karl Stieler, H. Wachenhusen, and F. W. Hackländer—undertook to write a pleasantly descriptive account of the Rhine and the places through which it passed, and they had associated with them some twenty or more of the most skilful of German artists, who were to illustrate the text. The result was a work which won general admiration. It has now been translated by Mr. G. C. T. Bartley, and is published in handsome quarto form. No pains have been spared with the typography, and it is not often, even in these days of exquisite printing, to find wood-engravings produced with so much delicacy and clearness. Of the character of those engravings it would be difficult to speak too highly. They are not all of equal merit; but it is seldom that in one book so much of equality is seen. The work is delightful reading, and it is as delightful for its pictures. Very little imagination is required for the fortunate possessor of the volume to fancy himself on the Rhine, enjoying its scenery, and recalling its many associations. The book is, indeed, one that may well be coveted, and that when once got may be highly prized."

The DAILY NEWS, November 13, 1877.

"The happy results of this condition of things may be seen in the appearance of the sumptuous work entitled 'The Rhine, from its Source to the Sea,' which has been translated by Mr. G. C. T. Bartley, from the German of Stieler, Wachenhusen, and Hackländer, and published by Messrs. Bickers and Son, of Leicester Square. This magnificent book, comprising no less than 425 illustrations beautifully executed and engraved, is stated to have been produced at a cost of several thousand pounds, and it is sufficiently obvious that the expense must have been too great to be remunerative but for the increased encouragement which this power of reproducing the work in foreign countries affords. The volume, which is handsomely printed by Messrs. Virtue & Co., on fine paper, of the size technically known as 'super-royal quarto,' and bound in cloth, richly decorated, is in every way worthy of its subject. The views extend to every variety of scenery, from lonely castle height to picturesque street and market-place, from wild, deserted lake or estuary to noble cathedral pile or characteristic group of figures. Portraits of distinguished persons and views of their homes and haunts are also among the subjects which have attracted the artist's pencil. On the whole, this may be accounted the most complete, as it is probably the most costly, work on the subject of this famous river which has yet been published."

In 'Solomon Isaacs,' a new light is shed upon Jewish character, and unlooked-for interest grows out of the everyday surroundings of modern life in Spitalfields."

"It would be easy to quote plenty of passages which show that there is genuine fun in the book."—*Athenaeum*.
